Healthy Living

for the Brain & Body

We know that what's good for the heart is good for the brain. Join us to learn science-based recommendations for taking care of our brains and bodies and tips on how to make small changes to build healthier habits.

The Brain Bus raises awareness of Alzheimer's and related dementias and addresses the benefits of early detection, early diagnosis, brain health and risk reduction. With two mobile units and virtual offerings the Brain Bus is able to travel throughout Florida.
