

LIBRARY SCOUTS

ABOUT US

The Key West Library is introducing Library Scouts, where kids can earn badges, have fun and learn about science, technology, engineering, arts and math (STEAM). The program is open to all kids ages 6 and up and will be held from 3 to 5 p.m. on the second and fourth Thursdays of the month. The program will include experiments, crafts, books and more fun activities. Each meeting will focus on a new badge and include activities to earn that badge.
